

HEALTHCARE CHAPLAINS MINISTRY ASSOCIATION

February 10, 2023

Dear Fellow HCMA Chaplains,

We are so excited to send you **the schedule for our 2023 Annual HCMA Conference** with **descriptive information on our speakers and musicians**. It promises to be one of our best conferences ever. Just look at who is coming back . . . Pastor Darryl and musicians Niah and Allisha. We fell in love with these fellow servants of the Lord last year. The time went by so quickly that many of you said you wanted to hear more.

**Adding to these three is Pastor/Chaplain Rob Lloyd** who will share his expertise in crisis/trauma care coupled with his shepherding heart as a pastor. He is preparing four workshops that will motivate and encourage us as well as equip us to serve in our chaplain roles during some very challenging days. Rob has a way of moving through difficult subjects with the ease of someone who has “been out there” and continues to be called to some of the hardest situations a chaplain will face. Seriously, you do not want to miss this.

You’ll notice that the schedule allows for **more free time** around the noon hour and late afternoons to give you time to enjoy the beautiful, southwestern gardens and grounds of the renewal center or to visit with new or long-time fellow chaplains and spouses. Yes, we especially hope that your spouse will join you!!!

**PLEASE, send in your registration form TODAY with a \$100 minimum fee to reserve your lodging and meals at the lower rate. After February 22, the rates in red will apply.**

We can’t wait to see you!

Your Conference Planning Team,  
Nancy Anderson  
Mary Lowe  
Fred Ouderkerken  
Warren Rich
